

1/ Read the text and answer the following questions:

It's Saturday morning, Andrew gets up early. He washes his face, combs his hair. Then, he brushes his teeth in the bathroom after he has breakfast. At seven forty, he takes his bag and goes to school with his friend Harry. In the afternoon, the two friends spend two whole hours swimming in the swimming-pool. After that, they go to the restaurant, buy two sandwiches and go to the zoo to see the wild animals in their cages: the lion, the tiger, the bear, the giraffe and the monkey. They eat their sandwiches and two ice-creams and go back home very satisfied.
